POLICY

SOCIETY

Development and underpinning
of biodiversity indices

Technological spillovers

Innovative marine observation
capacity

Underpinning and support for
marine NID/Blue Growth projects

Internationalisation and
multiplier effect

Ocean literacy

Strategic valorisation lines LW

Development and underpinning
of biodiversity indices

Technological spillovers

Innovative marine observation
capacity

Underpinning and support for
marine NID/Blue Growth projects

Internationalisation and
multiplier effect

Ocean literacy

Use cases :

- Artificial intelligence
- Flow cytometry

Strategic valorisation lines LW

Development and underpinning
of biodiversity indices

Technological spillovers

Innovative marine observation
capacity

Underpinning and support for
marine NID/Blue Growth projects

Internationalisation and
multiplier effect

Ocean literacy

Use cases

- Coastbusters 2.0 (DBC)
- PCAD4COD, VIZSION

Strategic valorisation lines LW

Development and underpinning

Technological spillovers

Innovative marine observation
capacity

Underpinning and support for
marine NID/Blue Growth projects

Internationalisation and
multiplier effect

Ocean literacy

Use cases :

- SUMES-project (DBC)
- Data requests from industry. **EIAs**

Lifewatch Marine Industry Advisory Board

In samenwerking met partners uit de industrie de mogelijke valorisatie van Lifewatch verder uittekenen

- Wederzijdse kennisuitwisseling rond Lifewatch –data & expertise
 - Gebruik van de data in bestaande en nieuwe projecten
 - Informatie over nieuwe data(punten)
 - Feedback over inzet, gebruik, beschikbaarheid van de data
 - Feedback over monitoringstechnieken, sensoren, ...
 - ...
- Verkennen welke gezamenlijke projecten en ontwikkelingen kunnen opgezet worden
 - Gezamenlijke ontwikkeling van monitoringstechnieken
 - Toepassing van monitorings know how in innovatieprojecten
 - ...

Practisch...

- 1 à 2 vergaderingen/workshops per jaar
 - Algemeen of thematisch
- Oproep zal gelanceerd worden in de loop van de maand maart
- Eerste vergadering voor de zomer
